### **FOOD TRAYS**

Food Trays for Aid for Friends are available at school. The children will bring them home. By filling them with your leftovers you are helping to feed the hungry. Please do what you can to help. Food trays MUST be frozen.

### **EMERGENCY PLAN**

Please have an emergency plan with your children should it be necessary to close school early due to weather conditions. It may not involve making a phone call from school. On such days the phones are usually quite busy. Your children should know exactly what you may expect them to do if dismissed early. Make sure they know what line to get in, or who will meet them, or where they can go if you are not home. If school closes early due to weather, there is NO CARES. Therefore, your plan cannot be to go to CARES.

### **ABSENCE**

Please remember to call the office if your child is out sick. This is a safety precaution to be sure that the students are where they are supposed to be.

### **C.A.P.**

The children in 4<sup>th</sup> through 8<sup>th</sup> grade will be participating in the Connelly Access Program (C.A.P.) again this year. This means that the children in these grades will receive two free field trips this year. They will also receive two assemblies for all the children in grades 4-8. We are very grateful to the Connelly Foundation for their generosity.

### **CLEARANCES**

All clearances need to be up to date in order to volunteer at school or go on any class trips. Please stop in at the rectory or the main office of school to pick up a clearance packet.
